Katerina Galanaki

Katerina was invited by the European Commission in 2000 to participate in the working group for DS representing Greece. During all these years till now she provides assistance to institutions wishing to produce DS, in Greece and in other countries. She is ECTS/DS contact point in Greece, Bologna Expert, Head of international relations at her institution and Secretary General of the Greek Rectors' Conference.

Minute

The EU model must be understood all over the world and can't be changed even in the numbers [1.1, 2.1 etc.]
